CLUSTER 3 ACTIVITIES DRAFT AGENDA, SICUR 2024 “Civil Security for Society”, Horizon Europe 2024 Call for Proposals IFEMA-MADRID, 27th-28th February, 2024

In the frame of SICUR 2024 (International Security Exhibition - <https://www.ifema.es/en/sicur>), which will take place at IFEMA-MADRID (Spain) from the 27th February 2024 to the 1st March 2024, the Spanish delegation in Cluster 3 Horizon Europe “Civil security for society) will organize a series of activities.

We encourage different Security stakeholders interested in Cluster 3 calls, industry, academia, Research and technology organizations, public R&D centers and Security end-users to participate in these activities specially conceived to enhance information exchange and to facilitate proposal preparation under [2024 Cluster 3 call](#).

The event organizers would like to welcome, as special invited country, Türkiye, in the frame of a EU Study visit to Spain. Therefore, diverse Turkish entities will participate in the event to reinforce collaboration in 2024 call and to enhance networking.

Moreover, the European Commission, and more specifically DG HOME, will be represented during the event.

The event will exclusively be a physical meeting. It is **mandatory** to register through the following links to ensure the access to the event (**don't forget to register through both links in order to ensure you can access the event**):
