## **Training focus**

The on-site training *How to approach a successful proposal in CBE JU – with experiences from Widening Countries* is an opportunity offered by the CARE4BIO and NCP\_WIDERA.NET NCP projects in collaboration with the CBE JU.

It will provide insights into proposals writing useful for those interested in opportunities within the CBE JU WP 2024.

The participants will benefit from knowledge and practical approach thanks to the experiences of coordinators, especially from Widening Countries, in the previous BBI/CBE JU projects invited in the training session.

## **Target group**

CBE JU potential applicants from widening countries. Based on availability, interested applicants from non-widening countries will also be considered.

(Maximum of 50 participants)
