

European Research Council information session

28/08/2024, 10:00-12:30 EEST

Lithuanian Research Council, Gediminas av. 3, Vilnius, Lithuania

Registration

An information session on the European Research Council (ERC) and its funding opportunities will offer comprehensive insights into the ERC's programs, covering grant application processes, eligibility criteria, and strategies for crafting a successful proposal. Addressing both administrative and scientific support aspects, as well as sharing insights and opinions, aims to equip applicants with essential knowledge about the full range of opportunities the ERC can provide.

09:30 – 10:00	Registration & coffee
10:00 – 10:05	Opening remarks ERC NCPs
10:05 – 10:45	Overview of the ERC: Evaluation and novelties in 2025 work Questions Janne Salo, ERCEA Scientific Officer
10:45 – 11:15	Application process: administrative and scientific support Questions ERC NCPs
11:15 – 12:00	ERC grant: from proposal preparation to final success Questions Stephen Jones, Vilnius University Life Sciences Centre
12:00 – 12:30	Final remarks ERC NCPs
