Training focus

The interactive training “How to approach a successful proposal in CBE JU – Hand-on session reserved for widening countries applicants” is an opportunity offered by the CARE4BIO project in collaboration with the CBE JU.

It will provide an interactive insights into proposals writing useful for those interested in opportunities within the CBE JU WP 2025.

The participants will benefit from knowledge and practical approach thanks to the experiences of NCPs and CBE and BIC officers invited in the training session.

The core of the training are two hand-on sessions dedicated to the Excellence and impact chapters of the proposal. For each criteria, the attenders will learn, discuss and interact around participatory tables (one for each type of action: Flags, IAs, RIAs) with NCPs, CBE and BIC officers and other applicants.

Target group

50 potential applicants in WP 2025 CBE JU from Widening Countries. First come, first served basis will be applied.
