## European Research Council Work Programme for 2026

### Information Day for Baltic States

Estonian Research Council, Latvian Council of Science and Research Council of Lithuania are inviting you to join the information session on the European Research Council Work Programme for 2026. The event will be held **remotely on August 4th from 14:00 to 16:00 (EEST)**. The aim of the event is to present and explain the novelties in the ERC Work Programme for 2026 as well as to encourage higher participation of researchers from Baltic States in upcoming calls.

Dr. Dace Rambaka, Policy Analyst at the “Support to the Scientific Council” unit of the European Research Council Executive Agency (ERCEA), will present an overview of the ERC Work Programme for 2026 and explain relevant changes related to grant applications (proposal structure), evaluation, additional funding, and more. The presentation will be followed by a Q & A session.

As the programme has not been announced yet, participants are highly encouraged to familiarize themselves with the upcoming changes in the ERC Work Programme for 2026 using this [link](#).

The participants are able to submit their questions to the speakers, when registering for the event or using [sli.do](#). Please use the code #2144396. The [sli.do](#) will be used during the event as well.

#### Agenda

(all times are Eastern European Time, EEST)
